SUMMARY

A goal-oriented Logistics and Project Management enthusiast with hands-on exposure in digital operations, team coordination, and content creation. Experienced in handling tech-driven workflows and building project solutions from scratch. Passionate about contributing to efficiency-driven teams and seeking dynamic opportunities in operations, tech logistics, or product coordination.

SKILLS

Operations & Workflow Management: Digital Operations Management, Workflow Management, Project Management, Project Execution
Programming Languages: C, C++, Java, Python, JavaScript, Dart
Teamwork: Team Collaboration, Leadership
Frontend Development: React.js, Flutter, Material Design
Backend Development: Node.js, Express.js, Firebase (Firestore, Authentication, Storage)
Full-Stack Practices: Role-based Access Control, API Integration, JWT Authentication, Real-time Updates
Database Management: Firestore, Firebase Realtime Database
Version Control & Deployment: Git, GitHub, Firebase Hosting, Render
Operating Systems: Windows, Linux
Tools & Platforms: Git, GitHub, VS Code, Canva, Microsoft Excel & Google Sheets, Postman (API testing)
Soft Skills: Time Management, Process Optimization, Problem Solving, Critical Thinking, Leadership Qualities, Adaptability & Quick Learner, Creativity & Innovation, Decision Making & Conflict Resolution

WORK EXPERIENCE

Full-Stack & Data Engineering Intern — *Aug 2025 – Nov 2025*

AEROZONE

- Designed and developed a business analysis platform (AEROZONE) to provide faster and more insightful overviews of business performance.
- Implemented data handling, extraction, processing, and transformation pipelines for structured and unstructured data.
- Built front-end visuals and interactive task bars, improving user experience and accessibility of insights.
- Managed data storage and retrieval systems to ensure accuracy and consistency of updated records.
- Collaborated with the team to deliver scalable full-stack solutions combining front-end development, back-end logic, and data engineering practices.

Jobbie — *Dec 2024 – Present*

Copywriter (Intern) — *Remote*

- Created and customized resume templates to meet industry standards, ensuring accuracy and professionalism.
- Conducted research on various job roles across multiple platforms to inform effective resume tailoring.
- Managed assigned tasks, meeting deadlines and coordinating with the team to ensure timely completion.
- Developed expertise in industry-specific content creation, resume structuring, and job market analysis.
- Participated in weekly review meetings and adhered to company policies regarding probation and notice periods.
- Successfully completed the internship, earning a certificate and letter of recommendation, with potential for a pre-placement offer based on performance.

Flipkart Company — *Apr 2024 – Jun 2024*

Senior Receiver — *Khadavli*

- Managed inbound shipments and verified **inventory accuracy** to ensure efficient stock handling in a fast-paced warehouse environment.
- Coordinated with logistics teams to optimize **operations** and maintained compliance with **safety protocols**.
- Supervised junior staff to ensure effective **teamwork** and efficient **workflow**.

PROJECTS

Learning Management System (LMS)

LMS

- Developed a full-stack **Cyberpunk-themed Learning Management System (LMS)** utilizing **React.js** for the frontend and **Node.js with Express.js** for the backend.
- Migrated the system to **Firebase** (Firestore, Authentication, and Storage) to enhance **scalability** and simplify deployment.
- Implemented **role-based authentication and access control** for Admins, Instructors, and Students using **Firebase Auth** and protected routes.
- Created core features including **course creation and management**, **content upload (PDFs, videos, images)**, **assignment and quiz posting**, and **file-based assignment submission with grading and feedback**.
- Established a real-time **notice board system** for effective communication.
- Managed user activities and platform functionality through Admin controls.
- Utilized **Firebase Storage** for secure file uploads and **Firestore** for structured course and user data management.
- Deployed the backend on **Render** and the frontend on **Firebase Hosting**, ensuring environment-based configuration for flexible deployment.
- Followed **modular code practices**, performed **ESLint cleanup**, and integrated **JWT** for secure token handling prior to Firebase implementation.
- Documented the project thoroughly, maintained version control via **GitHub**, and ensured live accessibility across platforms.

Quizzers

Quizzers

- Developed an interactive quiz application utilizing **Flutter** and **Firebase**, enabling users to test their knowledge with multiple-choice questions in a **dynamic UI**.
- Implemented **frontend features** using **Flutter Web**, focusing on **Material Design** and **StatefulWidgets**.
- Established **backend infrastructure** with **Firebase Auth**, **Cloud Firestore**, and **Firebase Hosting** to ensure secure user authentication and data management.

Attendance Tracker

Attendance Tracker

- Developed a full-stack **attendance tracking web application** using **React.js** and **Firebase** (Firestore & Authentication) with role-based access for Admin and Students.
- Implemented key features including **user authentication**, **subject and student management**, and **CSV-based student import**.
- Established a **nested Firestore structure** for scalable data storage, enabling efficient data handling.
- Enabled Admins to mark attendance with **Present/Absent/Late** options and view detailed records.
- Facilitated sorting of students by roll number and analysis of **subject-wise attendance percentages**.
- Allowed students to view their **attendance summary** with real-time calculations.
- Ensured a clean UI and support for **dynamic filtering** by date, subject, and student.

CERTIFICATIONS

MSCIT (Maharashtra State Certificate in Information Technology)

EDUCATION

Bachelor of Science in Information Technology *July 2023 – Present*

Pendharkar college, **8.00/10**
